

# Consignment Overview

Entry Deadline: November 15, 2019

MnBA's 23<sup>rd</sup> Annual Live Bison Auction • Albany, MN

Saturday, November 30, 2019 • 10:00 am

Refer to *Consignment Entry Form* for listing of Auction's Age Classes

No testing is required though consignors are encouraged to test for at least TB and Brucellosis [or for Heifer Calves to Brucellosis Vaccinate (OCV'd)]

Consignors will receive their check from Cental Livestock.

## All Consignments:

1. Each animal consigned will have a State Vet Metal ID tag in ear and a MnBA supplied dangle tag in animal's left ear.

2. Health Certificates:

These papers must be presented and meet requirements prior to unloading animals on Friday, November 29, 2018.

A. Each animal will have an original health certificate and two photocopies. Note: multiple animals may be listed on the same form. Have two copies of the certificate for each animal listed. (8 animals on form = 16 copies + original)

Do nothing more with the copies.

B. The health certificate document(s) must include:

- Essential that the metal ID tag number is correlated to the MnBA supplied dangle ear tag.
- On all animals under two years of age: Documentation that a worming treatment was administered on or after October 29, 2019. Product used and date administered must be stated. (Same for two year olds & up if administered.)
- Test results: If testing was performed it must be documented. Also must include heifer calf Brucellosis vaccination if so done.
- The name, address and phone number of the veterinarian.

**Judged Consignments** \$50 per consigned animal. Additionally a 7% commission fee will be charged to the consignor.

Judges will award trophies to the top three consignments in each class during the Bountiful Banquet Friday, November 29.

1. All non-calf females must have pregnancy documentation. Yearling Heifers must be confirmed "Open" and so documented. Pregnancy must be confirmed and documented on health certificate for Two-Year Old Bred Heifers.
2. Two-Year old Bulls will have veterinarian documentation verifying semen motility & morphology. If consigning in this class the documentation form will be mailed with ear tag(s).
3. Excluding calves, each animal will be mouthed and accurate age will be confirmed by teeth. An evaluation chart will be included in ear tag mailing.
4. Producer's Pride consignments will be judged for the overall quality of group consigned. These groups will consist of 3 to 5 animals. Consignors may consign more than one group.
5. All calves must have at least one horn.

**Non-Judged Consignments** \$25 per consigned animal. Additionally a 7% commission fee will be charged to the consignor.

1. Each animal listed as "Bred" will have pregnancy check documentation on health certificate.
2. Each animal listed as "Semen Checked" will have a completed motility/morphology form that is supplied with ear tag shipment. Completed form must be turned in with Health Certificates.
