ABOUT: Handmade Leather Goods

We believe in the craftsman's way of life: the command over materials, tools & processes. In an era of ruthlessly cheap imports, we take pride in creating quality handmade leather goods using full grain leather. Our handmade Buffalo leather goods are Made in USA & built to last.

ABOUT: Located on the top of the Buffalo Ridge where glaciers give us rich ground and strong winds blow dry the morning dew, both important factors for growing quality grapes in the Northern Tier. Our rich, black soil is the best in the world for growing. The minerals deposited by glaciers and developed from centuries of organic growth feed our plants for strong roots and dynamic flavors.
