MnBA 2023 Education Conference

## EVENT SPONSORSHIP LEVELS & BENEFITS

### Bison Education Conference

MnBA members have developed the association into multiple components: an enthusiastic, dedicated group who contribute countless volunteer hours towards MnBA projects. Simply stated, in the bison industry, the MnBA is known as a “mover and shaker” amongst state & regional associations.

When spring rolls around, there is an explosion of bison camaraderie at the Association’s annual educational conference. Each year the conference rotates between members with locations around the state and beyond. The conference features two and a half days filled with great speakers, food, fellowship, and a whole lot of bison talk.

This year the annual conference will take place at the Arrowwood Resort & Conference Center in Alexandria, Minnesota March 31 - April 2, 2023.
